

# Practice-A-Thon Pledge Form

Dear Family and Friends,

I am a student at The Conservatory taking music lessons on the following instrument (s) \_\_\_\_\_ . From March 3 until March 17, 2019, the Conservatory will be holding a fundraising effort called Practice-A-Thon. Each student of the Conservatory is trying to obtain sponsors to pledge a certain amount of money per minute for every minute the member practices his or her instrument for the period. The Conservatory is a 501(c)(3) nonprofit organization whose mission is to inspire growth and confidence in individuals regardless of age, ability or economic circumstances, so that everyone has the opportunity to achieve their fullest potential and experience enriched, fulfilled lives. The Conservatory offers free performance opportunities for students, subsidized music therapy, free concerts to senior living facilities through our Student's on Tour program, tuition assistance, and free art programs for at-risk youth. All proceeds will go to support The Conservatory's mission.

Please consider sponsoring me in the Practice-A-Thon. This is a great way to support the Arts! You may pledge any amount you wish, and I will keep track of the time I practice my instrument for two weeks. At the end of the Practice-A-Thon, I will let you know how many minutes I practiced and how much your pledge will be.

Please return the form below to me or call me (at \_\_\_\_\_) to let me know whether you will be my sponsor in The Conservatory Practice-A- Thon.

Thank you for your support.
